

CANCELLATION / NO SHOW POLICY

We understand that sometimes situations arise that lead to the need to cancel an appointment. If for some reason you cannot keep your scheduled appointment, we ask that you give us at least 24 hour notice. If you do not cancel within 24 hours of your scheduled appointment time, there will be a \$30.00 charge, which is unlikely to be covered by your insurance plan.

Thank you for your understanding.

Respectfully,
